1. **Secretariat – Economic Services:** The provision is for Secretariat expenditure of the Ministry of Environment and Forests.

2. Education and Training:

2.01 **State Forests Rangers Colleges:** There are 3 State Forest Service Colleges located at Dehradun, Burnihat and Coimbatore. There colleges run two year courses for SFS Officers.

Rangers College: Rangers College is situated at Kurseong (West Bengal). The College provides training to Range Officers of the State Forest Departments.

2.02 **Indira Gandhi National Forests Academy, Dehradun:** The Academy was created on 25.5.1987 by upgrading the Indian Forests College at Dehradun and de-linking it from the Forest Research Institute. The Academy is responsible for training the Indian Forest Service Officers.

2.03 **Training to IFS Officers:** Under this scheme in service training is provided to IFS officers.

2.04 **Indian Institute of Forestry Management:** This Institute was established during the Sixth Plan as an autonomous body to develop managerial skills and specialization relating to conservation, optimum utilisation and increasing production and productivity over space and time in forest based products as well as large afforestation and special forest programme.

3. **Research:** The provisions are respect of the following.

3.01 **Indian Council of Forestry Research and Education(ICFRE):** The Council was set up with a view to achieve the national goals of conserving existing forest area and to increase productivity of forests. The Indian Council of Forestry Research Education has been given autonomous status w.e.f. 1.6.1991. The Forest Research Institute, Dehradun is a centre of excellence in research. In addition, ICFRE has following five institutes in different eco-geographic regions of the country to take care of the research needs for the regions.

- i) Institute of Wood Science and Technology, Bangalore.
- ii) Institute of Forest Genetics and Tree Breeding, Coimbatore.
- iii) Institute of Deciduous Forests, Jabalpur.
- iv) Institute of Arid Zone Forestry Research, Jodhpur.
- v) Institute of Rain and Moist Deciduous Forests Research, Jorhat.

3.02 **The Indian Plywood Industries Research Institute, Bangalore:** The Institute was established in 1983 jointly by the Plywood Industries and the Government of India.

4. **Survey and Utilisation of Forest Resources:** Forest Survey of India, Dehradun carries out comprehensive forest resources survey at regular intervals and presents information for planning at National, State and local levels including evaluation through re-inventory to facilitate scientific forestry planning.

5. **Forest Conservation, Development and Regeneration:** This is an on-going programme to check indiscriminate deforestation and diversion of forest land to non-forest use strengthening of forests protection force, control of grazing restriction on removal of fuel wood as head loads and supply of alternate fuels have been identified for effective protection of forests. The important scheme under this programme is the Intensification of Forest Management.

6. **Wild Life Preservation:**

6.01 **The Wild Life Institute of India, Dehradun:** The Institute imparts training and provides continuing education to in-service officers and also organizes a two-year M. Sc Course in Wildlife.

6.02 to 6.10 **Project Tiger and Other Projects:** The Centrally Sponsored Schemes for preservation of wildlife under Implementation are "Project Tiger", "Project Elephant", and "Integrated Development of Wildlife Habitat". The Schemes aim not only at protecting the endangered species of wildlife but the entire ecosystem. The last two schemes also aim at improving the quality of the life of the local people and reducing their dependence on forest projects. The schemes also aim at augmenting the supply of various usufructs through planning in areas adjoining National Parks and Sanctuaries.

6.11 **Welfare of Animals:** The important activities under this scheme are construction of shelter houses, animal birth control, immunization, ambulance services, and the setting up of National Institute of Animal Welfare. The implementation of the scheme has been transferred to the Animal Welfare Board of India.

6.12 **Bio-diversity Conservation and Rural Livelihood Improvement Project:** The matters concerning Conservation of Biological Diversity, its sustainable use and fair and equitable sharing of benefits arising out of the use of biological resources and knowledge are dealt under the Biological Diversity Conservation Scheme.

9. **National Afforestation and Eco-Development Board:** The National Afforestation and Eco-development Board was set up in August, 1992, with the principal aim of promoting afforestation, tree planting, ecological restoration and eco-development in the country. Special attention is being given to the regeneration of degraded forest areas and land adjoining forest areas, national parks, sanctuaries and other protected areas as well as the ecologically fragile areas like the Western Himalayas, Aravallis, Western Ghats etc. The main scheme for achieving this is the National Afforestation Scheme. The implementation of the UNCCD and Social Forestry programme are also covered by NAEB.

9.01 **Afforestation through PRIs:** The Scheme aims at enabling village institutions to create tree-based renewable biomass resources in the fallow/degraded lands available under their justification and is aimed at creating sustainable livelihoods for the rural poor.

10. **Survey:**

10.01 **Botanical Survey of India:** The Botanical Survey of India. With the headquarters at Kolkata looks after (a) to survey the entire plant resources of the country, (b) complete taxonomic studies of all the flora of the country, (c) list all endangered species and undertake measures for their effective conservation, (d) to identify, collect and preserve specimens of plant useful to human beings economically and otherwise.

10.02 **Zoological Survey of India:** Zoological Survey of India with its headquarters at Kolkata is responsible for carrying out the faunistic survey and research work in systematic zoological, Animal Ecology, Zoography of various groups of animals including marine fauna. Its primary objectives are (a) exploration and survey of faunal resources (b) taxonomic studies (c) status survey of endangered species.

11. **Environmental Education/Training /Extension:**

11.01 **Environment Education Training Scheme:** The Ministry gives priority to environmental education of almost all age groups of the country's population through exhibitions and training programmes etc. The Ministry is also involved in promoting environmental education by imparting non-formal education at the primary and secondary school level and in colleges and universities. The main activities under the scheme are (a) National Environmental Awareness Campaign, (b) Eco-clubs (National Green Crops) and (c) Mass Awareness.

11.02 **National Museum of Natural History:** is a centre set up under the Ministry to impart non-formal education to the school going children in the field of ecology, wildlife and environmental conservation with a view to create and promote awareness in the country about the need to conserve national natural resources.

12. **Conservation Programme:** The main scheme under the programme are conservation and management of wetlands and mangroves, biosphere reserves and assistance for Regional Botanical Gardens.

13. **Environmental Planning and Coordination:** The main schemes under this programme are Environmental Information System (ENVIS) and the Centre of Excellence. Under ENVIS, Environmental Information is collected, collated and disseminated to a wide range of users through a network of 76 subject specific ENVIS centre.

14. **Research and Ecological Regeneration:** Under these programmes, research projects undertaken by various organizations are supported by the Ministry. The Ministry envisages more active participation of universities, scientific Institutions and voluntary organizations in eco-development, restoration of damaged eco-system and eco-regeneration of degraded areas.

15. **International Cooperation:** The provisions are for contribution to UNO and other International organizations engaged in the development of environmental research, eco-regeneration and workshops/seminars.

16. **Prevention of Pollution of National Rivers and Lakes:** The scope of erstwhile scheme "Prevention and control of pollution of River Ganga" has been widened to cover all national River and Lakes. An action plan has been drawn up for clearing the polluted stretches of National Rivers and to oversee its implementation. The major work programmes relate to diversion, sewer cleaning and renovation of pumping sets. The schemes proposed to be taken up are (i) interception and diversion of waste water from falling in rivers (ii) Treatment of waste water with recovery of resources such as bio energy (iii) Other sanitation measures, such as low cost sanitation, biological conservation etc. Towards revamping the river conservation strategy, and promoting a holistic and integrated approach to river basin planning, it has been decided (in a meeting chaired by the Prime Minister on 4.11.2008) to declare Ganga a National River; and to set up a Ganga River Basin Authority (GRBA) as an empowered planning, implementing and monitoring authority for the Ganga River.

Under the National Lake Conservation Programme, 42 urban lakes have been identified for conservation to prevent their further deterioration.

17. **Prevention of Air and Water Pollution:** The provision covers: (I) Grants-in-aid to the Central Pollution Control Board Assistance to State Governments/Central Pollution Control Board; and Funding of relevant schemes. The Central Pollution Control Board was set up in 1974. The Board is also responsible for the prevention and control of air pollution. The provision covers grants given for the promotion of common effluent treatment plants. During X Plan schemes viz; Environmental Audit Environmental Statistics and Mapping and Clean Technologies by Small Scale industries were merged as Industrial Pollution Abatement through Preventive strategies.

18. **Impact Assessment:** The main schemes under this programme are Environmental Impact Assessment and Development and promotion of Clean Technology. In accordance with the provisions of Environmental Impact Assessment (EIA) Notification 2006 to decentralize the environment appraisal process, State Level Environment Impact Assessment Authorities (SEIAA)/State Expert Appraisal Committees (SEAC) have been constituted in 22 States/UTs.

Environmental Clearance has been made mandatory for 44 category of developmental projects. Following the Notification on Coastal Regulation Zone in 1991 various activities are being undertaken in the coastal stretches of the country for conservation of sensitive areas.

19. **Other Programmes:** The main objective of these schemes viz Assistance for Abatement of Pollution including protection of Taj Mahal, and Hazardous Substance Management are to assist State Governments, State Pollution Control Board Central/State Research Institutions and other Government agencies/Organisations with the aim of strengthening their technical capabilities.

19.06 **Govt. of India-United Nations Development Programme Environment Support Programme:** It is meant to support the National Development programme in the Environment Sector and is based on focus on decentralization and people participation.

19.07 **Taxonomy Capacity Building Project:** Having identified critically important areas and gaps in taxonomic Work and All India Coordinated Project has been drawn up for capacity building in taxonomy.

19.14 **Financial support to Environmental Planning and Coordination Organization (EPCO), Madhya Pradesh:** Project objectives: (i) Operationalisation of the State Environment Policy. (ii) Mainstreaming environmental concerns in the district planning process and sectoral programmes. (iii) Involving range of stakeholders of M.P. in the exercise of setting environmental priorities. (iv) Improve understanding of environmental problems and their underlying causes.

19.15 **Strengthening of Environment Information Centre:** It is proposed to augment the delivery capacity of the EIC centre at Delhi and establish Regional Centres for wider data collection and dissemination.

19.16 **National Coastal Management Programme:** In order to rationalize the existing CRZ Notification, 1991, the Ministry constituted an Expert Committee under the Chairmanship of Prof. M. S. Swaminathan. Based on the recommendations of the Report submitted by the Committee, it has been decided to revamp the Coastal Regulation Zone (CRZ) Notification 1994 in line with the recommendations of the Swaminathan Committee. Towards this end, a draft Coastal Management Zone Notification was issued and the public consultations are under way. The proposed activities under this scheme include: (a) Protection of and conservation of the Coastal environment. (b) Protection of local communities and livelihood security along the coastal stretches. (c) Promotion of sustainable development along the coastal stretches. (d) Measures to control deterioration of coastal environment due to pollution arising from land based activities.

19.17 **Capacity Building in Environmental Impact Assessment and Revised Environmental Clearance Process:** The objectives are as follows: (i) Capacity building at Central and State/UT levels for the effective implementation of the revised EC process; (ii) Strengthening of the Monitoring Mechanism as a sequel to EMCB Project (iii) Accreditation of EIA Consultants through the Quality Council of India.

20. **Lumpsum Provision for the Projects/ Schemes for North Eastern Region and Sikkim:** Provision has been made for the schemes in the Environment and Forests Sector.
