The schemes of the Foundation are for expansion and upgradation of existing institutions and for improvement in the educational status of backward minorities.

3. **Coaching & Allied Scheme:** The objective of the scheme is to assist economically weaker sections of candidates belonging to minority communities by providing them opportunities for enhancing their knowledge, skills and capabilities for employment in government/private sector through competitive examinations/process of selection, and for admission in reputed institutions. It also provides for remedial coaching in such institutions for successful completion of their courses.

4. **Research/studies, monitoring & evaluation of development schemes for minorities including publicity:** The objective is to study, evaluate and monitor the programmes and schemes for the welfare of minorities, including the 15 Point Programme and also carry out intensive multi-media campaign for dissemination of information of such programmes, schemes and initiatives.

Grants-in-aid would be provided to SCAs to strengthen their capabilities and operations.

11&12. **Other Social Services:** The provision is to meet the expenditure of the Special Officer for Linguistic Minorities and National Commission for Minorities.

13. Scheme for Leadership Development of Minority Women: The Sachar Committee Report has highlighted the fact that India's largest minority group, the Muslims, numbering 13.83 crore, have been left out of the development trajectory. Within this group, Muslim women are doubly disadvantaged. To ensure that the benefits of growth reach these deprived women, it is proposed to implement the scheme as a Centrally Sponsored Scheme in pilot mode. Through this scheme, such women would be provided with support, leadership training and skill development so that they can move out of the confines of their homes and community and begin to assume a leadership role in accessing services, skills and opportunities. This scheme is transferred from Ministry of Women and Child Development.

14. Grants-in-Aid to Wakf: This includes three schemes. Out of these three schemes, one scheme namely Grants-in-aid to Wakf is an ongoing scheme meant to provide grants-in-aid to the Central Wakf Council for development of urban wakf properties which is proposed to be continued during the year 2009-10. The other two new schemes proposed to be launched

in the financial year 2009-10 are: i) Grants-in-aid to the Central Wakf Council for their administrative expenses and ii) Grants-in-aid to the State Wakf Boards for their administrative expenses in sharing ratio with the State Government.

15. Computerization of records of State Wakf boards: This new scheme is to be implemented in pursuance of the recommendation of the Joint Parliamentary Committee (JPC) on Wakfs in its 9th Report. Under the scheme, the financial assistance would be released to the State Wakf Boards, for computerization of their records, through the Central Wakf Council who would oversee and remain accountable for proper utilization.

16. Investment in Public Enterprises: The provision is for providing share capital assistance to the National Minorities Development & Finance Corporation.

17. Lump-sum provision for benefit of North Eastern Region: The provision is for implementing the schemes for North Eastern Region including Sikkim.
